Dear Lloyd,

I could not be more delighted that you have joined the Administration Team in an even more permanent way. I hope and assume you will continue your responsibilities with regard to SALT as well as your new assignment. It seems to me we are off to a good start under your direction and the next few months should be exciting.

We will have occasional contact on a variety of issues. I look forward to being of any help to you on problems that involve the Intelligence Community and the President.

Again, congratulations and welcome on board.

Yours,

STANSFIELD TURNER
